Datasheet

PAS-BS40W-PRO | Premium Wall Mount Outdoor Speaker Pair IP66

Key features

- IP66 waterproof and dustproof rating for harsh environment durability.
- Selectable power settings for flexible use with 70V, 100V, or 8Ω systems.
- Easy wall mounting with weatherproof brackets.
- Stylish and robust design delivering clear, immersive audio.
- Speaker drivers include paper + wool cone woofers and aluminum dome tweeters.

Product Overview

The Macsys Premium Wall Mount Outdoor Speaker Pair IP66, 8Ω@40W are designed to perform reliably in both indoor and outdoor settings, protected against dust, water, and extreme weather. They come with flexible power options, allowing compatibility with 70V, 100V, and 8Ω systems. Available in sizes 5"(125mm) these wall-mounted speakers offer scalable audio coverage. Each model features a paper and wool cone woofer with a rubber surround and an aluminum dome tweeter that varies in size by model. The combination of stylish design and clear sound makes these speakers suitable for diverse environments. Quick installation is facilitated with waterproof brackets for efficient setup.
