Datasheet

PAS-BS30W | All Weather Wall Mounted IP66 Outdoor Box Speaker Pair

Key features

- All-weather IP66 rated for outdoor and indoor use
- 4.25" weatherproof woofer and 1" silk tweeter
- 2-way speaker system
- Multiple power taps with 70V/100V and 8 Ohm options
- Supplied with a 360° rotatable mounting bracket
- Durable PP enclosure combined with metal bracket for rugged use

Product Overview

The Macsys All Weather Wall Mounted IP66 Outdoor Box Speaker Pair 8Ω@30W | 100v@05,10,20W are designed for indoor and outdoor use with an IP66 waterproof rating, ensuring reliable performance in extreme weather conditions. They feature a two-way system combining weatherproof woofers (available in 4.25") with silk tweeters for balanced audio quality.

The speakers provide versatile power options including 70V/100V with multiple power taps or 8 Ohm low impedance configuration. A durable polypropylene enclosure and a 360-degree rotatable aluminum mounting bracket allow flexible installation and robustness. Available in black or white, these speakers deliver sound pressure levels ranging from 104dB at 1 meter, suitable for music and speech applications.

Technical Specification

Feature	Details
Power Taps	5W/10W/20W/OFF -8 ohm
Power at 8 ohm	30W 30W continuous
Peak Power	60W
SPL @ 1M	89 ± 2 dB
Maximum SPL @ 1M	104 dB
Freq. Response	100-20KHz
Enclosure Material	Polypropylene (PP) enclosure and 360-degree metal mounting bracket
Construction	UV-resistant PP body with corrosion-proof hardware
Color Options	Black and white
Dispersion Angel	Vertical:80° and Horizontal: 100°(1KHz)
Product Size	240x150x140mm
Installation	Wall mount
Weight	1.6kg
Speaker	4.25″ weatherproof woofer and 1″ silk tweeter
Certification	CE, RoHS Compliance
